AVON, OHIO

Avon, Ohio, is a western suburb of Cleveland that has seen rapid commercial and residential growth in the past two decades. Located along Interstate 90 with multiple freeway exits and featuring top school systems and lower property taxes than neighboring Cuyahoga County, the community is become a top housing and commercial corridor in the entire region. Major headquarters include Henkel Consumer Adhesives, Inc., known locally for duct tape and related products historically tied to the “Duck Tape” brand, and Bendix Corporation’s new state-of-the-art headquarters on Chester Road. The area is also quickly becoming a hub of medical services with the University Hospitals Family Health Center, UH Avon Urgent Care, UH Tri City Family Medicine, Cleveland Clinic Avon Hospital, and more. The Avon highway interchange from State Route 83 to Nagle Road has also become one of the most regional retail destinations in Northern Ohio with names including Costco, Target, Walmart, Best Buy, Top Golf, Menards, Home Depot, and Lowe’s, Kohls, Cabela’s, and many more.

PROPERTY DESCRIPTION

For sale to qualified investors is the fee-simple interest in an investment-grade medical asset backed by University Hospitals Health System, Inc. (UH), and Heartland Dental, LLC, located in Avon, Ohio. This 13,802 square foot property is 100% leased to UH (10,007 SF) and Heartland Dental (3,795 SF), both of which feature corporate leases with combined annual revenue exceeding \$10 Billion. Showing commitment to the location, UH recently signed a 7 year lease extension featuring rental increases during years 6 and 7, and each year during the 7 year option that follows. Similarly, Heartland Dental, who has annual CPI increases, recently acquired the local dentist in the property and is under lease through 2031. Both tenants are under triple-net leases which fully reimburse CAM, real estate tax, and insurance, in addition being responsible for their own HVAC. The property is situated in the epicenter of Avon’s commercial corridor at the signalized intersection of Chester Road and State Route 83, with over 50,000 vehicles per day. The corner location features nearby Interstate 90 access and is surrounded by other retail, office headquarters, and medical, which in recent years has propelled Avon into one of Cleveland’s top ranked suburbs. This combination of creditworthiness, tenant commitment, traffic and access, and other commercial synergy offers the investor an asset-type rarely seen on the market.

**University
Hospitals**

University Hospitals Health System is a major nonprofit, integrated healthcare network based in Northeast Ohio that combines advanced medical care, research, and education to serve diverse patient needs. It operates an extensive network that includes 21 hospitals (including five joint ventures), more than 50 health centers and outpatient facilities, and over 200 physician offices across 16 counties throughout Northern Ohio. In recent financial reporting, the system's total revenue was approximately \$6.4 billion for the year ended Dec. 31, 2024, with reporting through the first half of 2025 at \$3.4 billion, reflecting growth from prior years and significant patient service activity. The network is closely tied to academic institutions, supports medical education and research, and is recognized for high-quality care in specialties such as cancer, cardiology, pediatrics, and women's health. For 2025-2026, U.S. News & World Report named the UH Cleveland Medical Center to the Best Hospitals list for the 27th consecutive year, and recognizing the company in 18 types of care services. Additionally, UH Cleveland Medical Center was the only Ohio hospital named to the Best Regional Hospitals for Equitable Access list, highlighting care for underserved populations.

**HEARTLAND
DENTAL**

Heartland Dental is the largest dental support organization in the United States, providing non-clinical administrative services to dental practices across the country. Founded in 1997 by Dr. Rick Workman in Effingham, Illinois, the company has grown to support over 2,800 doctors in more than 1,800 offices across 39 states and the District of Columbia. Heartland Dental partners with dental practices to offer comprehensive support, allowing clinicians to focus on patient care while the organization handles administrative tasks such as billing, HR, marketing, and IT. This model enables supported practices to benefit from economies of scale, advanced technology, and a robust network of resources. In 2024, Heartland Dental experienced significant expansion, adding 105 new practices through affiliations and de novo openings, including its first supported office in Utah. The company also introduced advanced technologies like AI-powered diagnostic tools and digital intraoral scanning to enhance patient care and practice efficiency. Through partnerships with VideaHealth and Henry Schein One, Heartland Dental has provided more than 20,000 supported dental professionals with access to AI tools for diagnosis, treatment planning, patient communications, and workflow management.
